Point Intern

The Point Intern Program

Position Overview

The Point Intern Program is a hands-on internship designed to help students grow as leaders and individuals. Interns will take part in daily devotions, group workouts, leadership talks, and community service. Throughout the program, interns will learn from mentors, visit local businesses, and get a behind-the-scenes look at how an organization runs. They will also host weekly outreaches for community kids in various locations. This program is meant to challenge interns, help them step outside their comfort zone, and build confidence, character, and life skills that will benefit them in school, work, and everyday life.
